

The Society of The Friendly Sons of St. Patrick for The Relief of Emigrants from Ireland

Organized March 17, 1771 Philadelphia, Pennsylvania

July 27, 2019

Dear FSSP Member,

It's time to kick off our 2019 annual member fundraising appeal! As you may know, the Society has been hard at work. This year alone, we've supported over twenty-five (25) worthy causes throughout the Philadelphia area which are related to Irish-American programs and Institutions. The Society continues to partner with many Universities and Schools and has created two (2) new scholarship endowment funds which will further the academic and athletic endeavors and advancement of those in need.

It is because of your generosity that we can continually make such a meaningful impact. Our benevolence recipients sincerely appreciate, and rely on, our support – evidenced by the many letters of thanks which can be found on our website. I hope that you'll continue to show your support for the Society once again in 2019 – *our charitable giving largely depends on the funds raised during this appeal*. Please remember that the Society has pledged to donate 100% of the tax-deductible funds raised during our annual appeal. You can be certain that your donation, big or small, will have a very meaningful impact!

Ádh Mór Ort,

Kevin M. Maloney
President
